AWEBB AGM 50TH ANNIVERSARY LONDON

Event Programme

Celebrating the past, building the future

Welcome to the AWEBB Conference

Welcome to our 50th AWEBB AGM, taking place here in London as we come together to celebrate an incredibly special milestone in our history.

Inside this booklet, you'll find all the key information you need for the event, including timings, venues, useful details and everything planned across the AGM and Gala Dinner.

This year is an opportunity to reflect on 50 years of AWEBB, celebrate the relationships that have shaped our organisation, and look ahead to the future with real excitement.

Our members, suppliers and partners remain at the heart of everything we do, and events like this give us the chance to strengthen those relationships, share ideas and recognise the success we have achieved together.

On behalf of the Board of Directors and the entire AWEBB team, I would like to thank you for your continued support, loyalty and partnership.

We hope you enjoy a memorable few days in London as we celebrate 50 years of AWEBB together.

Grosvenor House
A JW Marriott® Hotel
London

Grosvenor House opened on Park Lane in 1929 and has since become one of London's most iconic luxury hotels. Its famous Great Room was originally built as an ice rink, where the young Queen Elizabeth II and Princess Margaret are said to have skated, before being transformed into a grand events space. Today, Grosvenor House continues to host some of the capital's most prestigious occasions, making it a fitting setting for AWEBB's 50th anniversary celebrations.

Useful Information

Arrival, Departure & Transfers

JW Marriott Grosvenor House London is located on Park Lane in the heart of Mayfair, overlooking Hyde Park and within easy reach of central London transport links.

For guests arriving by train, Paddington Station is the nearest mainline station, while Marble Arch, Bond Street and Hyde Park Corner Underground stations are all nearby.

Please allow plenty of time when travelling across London, particularly during peak periods. Details of any organised AWEBB transfers will be communicated separately.
